

## Institutional Distinctiveness

Maa Bharti PG college Kota, has been in the Field of Education Since in the year 1998. This institution has entered in the higher Education with a Vision of Quality Education to Produce Splendid Specimen of Humanity to serve the Nation. **The mission** of the College of Education is to help prepare outstanding educators, and researchers, and to advance the profession of education, as broadly defined, through research on the science and art of teaching and learning, the effective uses of technology, and the analysis and development of leadership and educational policy. Values are the part and parcel of the philosophy of the nation and its educational system.

Values-based Education is an approach to teach universal values like moral values, patience, honesty, etc, to the students. It creates a strong learning environment that enhances academic attainment, and develops students' social and relationship skills that last throughout their lives. The purpose of value education is the development of the personality of the student. Value-based education aims at training the students to face the outer world with the right attitude. It is essential to develop an individual and help her lifelong in many ways. It is a process of overall personality development of a student which includes Character development, Personality development, Citizenship development and Spiritual development.

The institution is spearheading with a spirit of educational inclusion of the marginal strata of the society. A certain percentage of seats in different classes are fixed for the students from these sections to provide them a fair chance to compete with other students in their career. They get admission on merit basis and study with other students in equitable study environment. This mechanism helps in providing opportunities to students who are otherwise deprived of this basic right because of their disadvantageous socio-economic conditions. The college teachers and administration ensure that they study in comfortable environment with equal participation with other students and all learn to live in amity with a spirit of inclusive growth. The socio-economic differences of students evaporate in harmonious and mutually supportive work culture of the college.

Apart from academic excellence, the college also pays sincere attention to the **physical, moral and cultural development of students**. Students have shown outstanding performance in sports tournaments and Championships. College also actively encourages the organization of moral and cultural events such as observance of Swami Vivekanand jayanti, Independence Day, Republic Day etc. Our staff members are our family.

The institution has initiated several measures in **gender equity and sensitization in curricular**. Our institute is not merely 'workplaces' where faculty and non teaching staff are employed but are space where students come to learn and be trained for their professional careers and to realize their full potential as individuals. The need to create a safe haven, where there is no space for gender disparity, is the need of hour.

In the academic year of 2017.the Women's development cell of Maa Bharti P.G. College aims to plan activities that will create a safe and healthy atmosphere. This cell deals with the gender related issues, work place behavior, and social media for students and staff members. Women Development Cell conducts a series of talks on a various issues related with gender sensitization.

We strongly support to gender equality. College uniforms are quite useful in creating a sense of equality among students. Wearing college uniforms enhances college pride and community spirit. Uniforms promote college spirit because they provide students with a sense of unity. This unity brings a bond that allows students to feel closer and more connected.

The institution claims distinctiveness in terms of Social Outreach programme. Social awareness rallies on various issues such as blood donation, Health checkups, gender sensitization, Anti ragging, drug abuse, cleanliness and traffic rules awareness manifest the intent of the institution in terms of social transformation. The vision has always been to contribute to the welfare of society at large and materialize the far-reaching outcome of education.
