were the resource persons of the course. The course is of 30 hours. The add on course was open to all streams and 62 students joined for the course and 62 got the certificate after completing the course.

## **Microsoft Office Training Program** **Oral Assessment And Evaluation**

### **QUIZ**

1. Microsoft word is \_\_\_software.
  - A. Application
  - B. Compiler
  - C. System
  - D. Programming
2. Which is not in MS Word?
  - A. Italic
  - B. Magic tool
  - C. Font
  - D. Bold
3. \_\_\_cannot be used to work in MS Office.
  - A. Joystick
  - B. Scanner
  - C. Light Pen
  - D. Mouse
4. Which is not an edition of MS Word?
  - A. MS Word 2003
  - B. MS Word 2007
  - C. MS Word 2010
  - D. MS Word 1020
5. Which of the following is an example of page orientation?
  - A. Landscape
  - B. Subscript
  - C. Superscript
  - D. A4
6. Which of the following software is used for making a resume?
  - A. MS Excel
  - B. MS Word
  - C. Dev C
  - D. Java
7. Press \_\_\_to open the help window in the MS Word document.
  - A. F1
  - B. F2

- C. F9
- D. F11

8. The ability to combine name and addresses with a standard document is called \_\_\_\_\_

- A. Document formatting
- B. (B)Database management
- C. (C)Mail merge
- D. (D) Form letters

9. Which enables us to send the same letter to different people?

- A. Macros
- B. Template
- C. Mail merge
- D. (D)None of above

10. What is gutter margin?

- A. Margin that is added to the left margin when printing
- B. Margin that is added to the right margin when printing
- C. Margin that is added to the binding side of the page when printing
- D. Margin that is added to the outside of the page when printing

11. What is MS Excel?

- A. Spreadsheet
- B. Database Management
- C. Presentation
- D. Workbook

12. In Microsoft Excel spreadsheets, rows are designated as \_\_\_\_.

- A. 1, 2, 3, ....
- B. A, B, C, ....
- C. A1, B1, C1, ....
- D. I, II, III, ....

13. The intersection of a column and a row in a worksheet is called\_\_\_\_

- A. Column
- B. Address
- C. Value
- D. Cell

14. What do Excel formulas start with?

- A. /
- B. f
- C. =
- D. D).–

15. \_\_\_\_is not a function in Excel.

- A. SUM
- B. MIN
- C. SUBTRACT

D. MAX

16. What is the keyboard shortcut for copying cells in Excel?

- A. Ctrl + X
- B. Ctrl + C
- C. Ctrl + V
- D. Ctrl + Z

17. What does the term "cell" refer to in Microsoft Excel?

- A. A group of worksheets
- B. The intersection of a row and column
- C. A type of chart
- D. A formatting option

18. Which function is used to sum a range of cells in Excel?

- A. AVG()
- B. MAX()
- C. SUM()
- D. TOTAL()

19. What is the extension of a Microsoft Excel file?

- A. msxcl
- B. xcl
- C. xlsx
- D. xlsx

20. What is the collection of worksheets called?

- A. Ledger
- B. Book
- C. Testbook
- D. Workbook

21. Microsoft PowerPoint is a \_\_\_program.

- A. Graphics
- B. Presentation
- C. Data Analysis
- D. All of the above

22. What is the default filename of a PowerPoint file?

- A. Presentation
- B. My presentation
- C. Presentation1
- D. Default

23. What is the file extension of PowerPoint file?

- A. Powerpoint
- B. Powerpnt
- C. Ppnt
- D. Pptx

24. What is used to insert text on the currently selected slide?

- A. WordArt
- B. Comment Box
- C. Text Box

D. Ritch Text Box

25. Under which Menu, the options for draw/insert Text Box, picture, charts are available?

- A. Home
- B. Insert
- C. Draw
- D. All of the above

**QUIZ**

1. Microsoft Word is a \_\_\_\_\_.
  - A. Computer Hardware Program
  - B. Computer Non-application Program
  - C. Computer Application Program
  - D. None of the above
  
2. Which of the following is NOT present in MS Word?
  - A. Word Count
  - B. Font Size
  - C. Brush
  - D. Page Margin
  
3. Where is Office Button located in MS Word?
  - A. Left Upper
  - B. Left Bottom
  - C. Right Upper
  - D. Right Bottom
  
4. Which of the following tab is the default in MS Word?
  - A. Home
  - B. Insert
  - C. Page Layout
  - D. Reference
  - E. Reference
  
- 5. What is the maximum number of lines you can set for lines to drop box?**
  - A. 3
  - B. 5
  - C. 10
  - D. 15
  
6. What is the default left margin in Word 2003 document?
  - A. 1
  - B. 1.25

C. 1.5

D. 2

7. Ctrl + J is used to \_\_\_\_\_.

A. Align Justify

B. Insert Hyperlink

C. Search

D. Print

8. Page Down Key is used to

A. Moves the cursor one line down

B. Moves the cursor one page down

C. Moves the cursor one screen down

D. Moves the cursor one paragraph down

9. In Microsoft Excel spreadsheets, CELLS are labelled as \_\_\_\_\_

A. 1,2,3,.....

B. A,B,C,....

C. A1,B1,C1....

D. I,II,III,.....

10. \_\_\_\_\_ is a collection of cells organized in rows and columns where you keep and manipulate the data.

A. Workbook

B. Worksheet

C. Spreadsheet

D. ARRAY

11. Select correct statement?

A. Each Excel workbook can contain multiple worksheets.

B. Each Excel worksheet can contain multiple workbooks.

C. Each Excel workbook can contain multiple spreadsheets.

D. Each Excel worksheet can contain multiple spreadsheets.

12. \_\_\_\_\_ function in MS Excel worksheet represents the total number(s) of entries in the cell(s).

A. SUM

B. AVG

C. COUNT

D. TOTAL

13. The \_\_\_ feature of ms excel quickly completes a series of data.

A. Auto Filter

B. Auto Complete

C. Auto Fill

D. Auto Sum

14. What is the default file name of Microsoft Excel file?

- A. Workbook.xlsx
- B. Workbook1.xlsx
- C. Worksheet.xlsx
- D. Worksheet1.xlsx

15. Which tab is used to include pivot table, charts, hyperlinks to a spread sheet?

- A. Insert
- B. Page Layout
- C. Data
- D. Review

16. Where does the result displays when a formula is entered in Excel?

- A. Current Cell
- B. Next Cell
- C. Previous Cell
- D. Formula Bar

**Venue: Basket-ball ground, MBPG College**

The 30-Hour Skill Development Program “YOGA & MEDITATION Program was inaugurated on 27 May 2021 at 8:30 AM by our Principal Dr. Shweta Saxena. The session was a practice and presentation session. As per the course plan the session was started and organized smoothly in all the days. On 10.06.2021 Add on Course was completed successfully and certificates were issued to the participants. The course aimed to promote physical and mental well-being, fostering a deeper understanding of yoga principles and practices. The participants showed a remarkable dedication to the practice, attending consistently and actively engaging in the sessions. Their enthusiasm and willingness to learn contributed significantly to the success of the course. The session saw an over-whelming response. The participants were ready with their presentations on varied subjects like – Yoga, Sudarshan Kriya, Suryanamaskara, etc. the participants gave their presentations very confidently

Dr. Neeru Chaudhary was the resource persons of the course. She also took a practical session and demonstrated the major Yogic Techniques i.e. Ujjayi pranayama's to ensure better concentration and balance of mind. The participants also performed these practices. They participated whole-heartedly in the interactive session

The course is of 30 hours. The add on course was open to all streams and 56 students joined for the course and 56 got the certificate after completing the course.

Feedback from the participants was overwhelmingly positive. Students appreciated the knowledge and skills gained during the course. They expressed a desire for advanced yoga programs and recommended the course to others.

# **Social Media Awareness Program**

## **Course Objective**

- ✚ To make awareness of social media among the students for its ethical and careful use.
- ✚ To aware about the benefits of social media.
- ✚ To aware about the drawbacks of social media.

## **Course Contents**

- ✚ Understand how social media has disrupted traditional marketing
- ✚ Understand different social media platforms: Facebook, Instagram, Twitter, Snapchat, Pinterest, LinkedIn, Quora, Blogs and YouTube
- ✚ Devise social media marketing strategy and content strategy for each of the above platforms
- ✚ Develop your personal brand using social media, and understand how to become an influencer
- ✚ Understand social media campaign management and advertising on each social media platform

## **Assessment And Evaluation:**

**Evaluation Pattern:** Total of two quizzes were conducted during the course. Group activities, demonstration of skills.

## **Course Outcomes**

- ✚ Understanding how to leverage social media channels over in the overall media mix
- ✚ Analyzing the nuances of different social media platforms and the accompanying content strategies
- ✚ Understanding of the content creation process and corresponding tools

- ✚ Evaluating, analyzing, and optimizing social media ad campaigns end to end
- ✚ Creating effective strategies across Social Media platforms to engage new and existing audiences whilst achieving business goals
- ✚ Applying skills required to attempt Facebook Blueprint Certifications
- ✚ Creating content marketing strategy for various digital marketing channels

## **Social Media Awareness Program**

### **Oral Assessment And Evaluation**

### **QUIZ**

1. What is social media?
  - a) A type of email service
  - b) A platform for online shopping
  - c) A means of communication and interaction through the internet
  - d) A video game console
2. Which of the following is NOT a social media platform?
  - a) Facebook
  - b) Twitter
  - c) Amazon
  - d) Instagram
3. Social media allows users to share which types of content?
  - a) Text, images, videos, and live streams
  - b) Songs and movies only
  - c) Physical products for sale
  - d) Personal identification information
4. What is the primary purpose of social media platforms?

- a) Providing weather updates
- b) Facilitating online shopping
- c) Connecting people and fostering communication
- d) Providing medical advice

5. Which social media platform is known for its 280-character limit for tweets?

- a) Facebook
- b) Twitter
- c) LinkedIn
- d) Instagram

6. How does social media transcend geographical boundaries?

- a) By providing free internet access globally
- b) By allowing users to communicate in different languages
- c) By enabling users from different locations to connect and interact virtually
- d) By displaying satellite images of the Earth

7. Social media has become a catalyst for what types of change?

- a) Political and economic change only
- b) Social and cultural change
- c) Medical breakthroughs
- d) Technological advancements

8. How do businesses and organizations use social media?

- a) For offline marketing only
- b) For increasing shipping costs
- c) For connecting with their target audience, marketing, and customer service

d) For promoting social isolation

9. What is a challenge associated with social media?

a) Lack of internet connection globally

b) Increased privacy protection

c) Cyberbullying and misinformation

d) Reduced usage of smartphones

10. Which social media platform is best suited for professional networking and job hunting?

a) Snapchat

b) Facebook

c) Instagram

d) LinkedIn

11. How has social media impacted politics and elections?

a) It has reduced political engagement among citizens

b) It has increased the accuracy of political news reporting

c) It has facilitated the spread of misinformation and fake news

d) It has completely eliminated traditional media

12. What does “viral” mean in the context of social media?

a) A harmful computer virus spreading through social media platforms

b) A type of online game that gains popularity quickly

c) A piece of content that spreads rapidly and extensively across the internet

d) An advertisement that receives negative feedback

13. How can individuals contribute positively to the online community on social media?

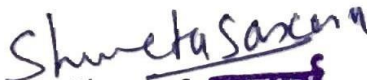

- a) By spreading false information and rumors
- b) By engaging in cyberbullying and harassment
- c) By promoting hate speech and intolerance
- d) By sharing valuable and constructive content

14. Which social media platform is famous for its “Stories” feature, where posts disappear after 24 hours?

- a) Facebook
- b) Twitter
- c) Snapchat
- d) Instagram

15. How can businesses leverage social media for brand promotion and awareness?

- a) By ignoring customer feedback and complaints
- b) By posting content infrequently
- c) By consistently engaging with their audience and sharing relevant content
- d) By using only traditional advertising methods

## **Social Media Awareness Program**

### **Oral Assessment And Evaluation**

#### **QUIZ**

1. What does the term “influencer” refer to in the context of social media?
  - a) A software tool for analyzing social media data
  - b) A person with a significant following who can impact consumer choices
  - c) A type of social media advertisement
  - d) A feature for reporting abusive content
  
2. How can social media platforms be used to disseminate emergency alerts and important information?
  - a) By prioritizing cat videos and memes over serious content
  - b) By providing false information and hoaxes
  - c) By allowing government agencies and organizations to post official updates
  - d) By ignoring user safety and privacy concerns
  
3. How can users protect their privacy and security on social media?
  - a) By sharing personal information openly with anyone
  - b) By using weak passwords and not enabling two-factor authentication
  - c) By being cautious about what they share and who they connect with
  - d) By never updating their account settings
  
4. Which of the following is an example of social media etiquette?
  - a) Posting rude and offensive comments on others’ posts
  - b) Sharing private and sensitive information without permission
  - c) Engaging in respectful and polite communication
  - d) Ignoring direct messages and comments from followers

5. How can businesses use social media for customer service?

- a) By refusing to respond to customer inquiries and complaints
- b) By directing customers to call a helpline for any assistance
- c) By actively responding to inquiries and resolving issues promptly
- d) By ignoring customer feedback and suggestions

6. Which social media platform is popular for sharing visual content like photos and short videos?

- a) Facebook
- b) Twitter
- c) LinkedIn
- d) Instagram

7. How do social media platforms use algorithms to personalize users' content feeds?

- a) By showing random content from unrelated topics
- b) By displaying content solely from verified accounts
- c) By analyzing users' interests and behavior to show relevant content
- d) By prioritizing content from anonymous users

8. Which social media platform is known for its "Explore" page, where users can discover content from accounts they don't follow?

- a) Facebook
- b) Twitter
- c) TikTok
- d) Instagram

9. How can social media be used as a tool for educational purposes?

- a) By providing misleading and false information
- b) By encouraging plagiarism and cheating
- c) By sharing informative and educational content, articles, and videos
- d) By promoting the spread of conspiracy theories

10. What is a social media “algorithm”?

- a) A set of rules governing human behavior on social media platforms
- b) A feature for blocking specific users from a profile
- c) A mathematical formula used by platforms to determine content visibility
- d) A tool for identifying fake accounts and bots

11. How can businesses analyze social media data to improve their strategies?

- a) By ignoring data analysis and relying solely on intuition
- b) By analyzing data from unrelated industries
- c) By tracking engagement metrics, user behavior, and feedback
- d) By outsourcing data analysis to competitors

12. What is the primary difference between a personal social media account and a business social media account?

- a) Personal accounts cannot post content
- b) Business accounts have a higher character limit for posts
- c) Business accounts can run advertisements and access analytics
- d) Personal accounts can only connect with other personal accounts

13. How can social media impact mental health and well-being?

- a) By reducing feelings of loneliness and isolation
- b) By providing accurate medical advice and diagnosis
- c) By promoting unhealthy comparisons and cyberbullying
- d) By replacing in-person interactions entirely

14. How can social media be used as a platform for activism and social movements?

- a) By discouraging users from sharing their opinions and beliefs
- b) By limiting access to content about social issues
- c) By allowing users to spread awareness and mobilize support
- d) By focusing solely on entertainment content

15. What is the “Like” button used for on most social media platforms?

- a) To indicate disagreement with a post
- b) To express sadness or sympathy
- c) To acknowledge and show approval of a post
- d) To report offensive content

## P.G. COLLEGE

### **SUMMARY REPORT OF** **SOCIAL MEDIA AWARENESS PROGRAM**

**Name of Program: Social Media Awareness Program**

**Resource Person: Mr. Abhijeet Sharma**  
**(Manager at IT& C-Technovation, Allen, Kota)**

**Participants: Students of College.**

**No. of Participants: 34**

**Venue: Computer Lab and BCA Class Room, MBPG College**

The 30-Hour Skill Development Program “Social Media Awareness Program” was inaugurated on 12 May 2022 at 8:30 AM by Chairman of MB Group Mr. Mahesh Vijay Sir. As per the course plan the session was started and organized smoothly in all the days. On 26 May 2022 Add on Course was completed successfully and certificates were issued to the participants.

During the 30 hours Add on course, students participated with enthusiasm and gained knowledge in “Social Media Awareness Program”. The successful completion of this course was a unique experience for students and they achieved a better knowledge about social media marketing in India. The experience which they got by doing this course was essential for students. Mr. Abhijeet Sharma was the resource persons of the course. The course is of 30 hours. The add on course was open to all streams and 34 students joined for the course and 34 got the certificate after completing the course.

# **PERSONALITY DEVELOPMENT**

## **COURSE OBJECTIVE**

The aim of the course is to groom the personality with regard to different behavioral dimensions and to prepare the students for effective public speaking. Personality refers to an individual's outer appearance, characteristics, attitudes, mindset, beliefs and behavior. In the present times, the importance of personality holds a greater value in order to achieve success in life. The Institution constantly strives to motivate and guide students for their overall personality development in order to develop accountability, enthusiasm, professionalism and smartness.

## **COURSE CONTENTS**

- Personality Development: Introduction, Psychological approaches to Personality.
- Communication: Introduction, flow of communication, listening, Paraphrasing, Reflection, Effective communication skills.
- Stress Management: Introduction, Causes, Impact and Stress management.
- Anger Management: Introduction, Causes, Impact and Anger management. Attitude management
- Leadership: Introduction, Leadership and Power. Motivation
- Time Management: Time as a Resource, Identify important time wasters, Individual time Management, Techniques for better time management

## **ASSESSMENT AND EVALUATION:**

Evaluation Pattern: During the course group activities, assessed for Knowledge, Skills, Attitude, Assignments and Quiz.

## **COURSE OUTCOMES**

- To bring about Personality Development of the students with regard to different behavioural dimensions.
- To prepare the students for effective public speaking
- To help the students to understand and manage the basic behavioural dimensions and their application in everyday life.

## **Online Privacy, Security and Safety Skill program**

### **COURSE OBJECTIVE:**

- To secure the information stored and conveyed which is an invaluable resource of any organization.
- To update the knowledge of students in network security and safety issues

### **COURSE CONTENTS:**

- + **Networking Concepts Overview-** Basics of Communication Systems, transmission Media, ISO/OSI and TCP/IP Protocol Stacks, Local Area Networks, Wide Area Networks.
- + **Internetworking,** Packet Formats, Wireless Networks, The Internet.
- + **Information Security Concepts-** Information Security Overview, Information Security Services, Types of Attacks, Goals for Security, E-commerce Security.
- + **Security Threats and vulnerabilities-** Overview of Security threats, Hacking Techniques, Password Cracking, Insecure Network connections, Malicious Code, Programming Bugs, Cyber-crime and Cyber terrorism.
- + **Cryptography-** Introduction to Cryptography, Message Authentication and Hash functions, Digital Signatures, Applications of Cryptography.
- + **Security Management Practices-** Overview of Security Management, Information Classification Process, Security Policy, Risk Management, Security Procedures and Guidelines.

### **ASSESSMENT AND EVALUATION:**

**Evaluation Pattern:** Demonstration of skills. Total of two quizzes were conducted during the course.

### **COURSE OUTCOMES**

- The students gain the most comprehensive knowledge and skills in the Online Network Security providing an opportunity to equip the Online Network System.
- Students understand the security concerns, vulnerabilities, attacks and to plan and implement the desired e-Security solutions.

**Online Privacy, Security and Safety Skill program**  
**Oral Assessment And Evaluation**  
**ORAL QUIZ QUESTIONS**

1. Physical or logical arrangement of network is
  - a) Topology
  - b) Routing
  - c) Networking
  - d) None of the mentioned
2. In this topology there is a central controller or hub
  - a) Star
  - b) Mesh
  - c) Ring
  - d) Bus
3. This topology requires multipoint connection
  - a) Star
  - b) Mesh
  - c) Ring
  - d) Bus
4. Data communication system spanning states, countries, or the whole world is
  - a) LAN
  - b) WAN
  - c) MAN
  - d) None of the mentioned
5. Data communication system within a building or campus is
  - a) LAN
  - b) WAN
  - c) MAN
  - d) None of the mentioned
6. Expand WAN
  - a) World area network
  - b) Wide area network
  - c) Web area network
  - d) None of the mentioned
7. What is the access point (AP) in wireless LAN?
  - a) device that allows wireless devices to connect to a wired network
  - b) wireless devices itself

- c) both (a) and (b)
  - d) none of the mentioned
8. In wireless ad-hoc network
- a) access point is not required
  - b) access point is must
  - c) nodes are not required
  - d) none of the mentioned
9. Which multiple access technique is used by IEEE 802.11 standard for wireless LAN?
- a) CDMA
  - b) CSMA/CA
  - c) ALOHA
  - d) none of the mentioned
10. In wireless distribution system
- a) multiple access point are inter-connected with each other
  - b) there is no access point
  - c) only one access point exists
  - d) none of the mentioned
11. A wireless network interface controller can work in
- a) Infrastructure mode
  - b) ad-hoc mode
  - c) both (a) and (b)
  - d) none of the mentioned
12. In wireless network an extended service set is a set of
- a) Connected basic service sets
  - b) all stations
  - c) all access points
  - d) none of the mentioned
13. Mostly\_\_\_\_\_is used in wireless LAN.
- a) time division multiplexing
  - b) orthogonal frequency division multiplexing
  - c) space division multiplexing
  - d) none of the mentioned

14. Which one of the following event is not possible in wireless LAN.
- a) Collision detection
  - b) Acknowledgement of data frames
  - c) multi-mode data transmission
  - d) none of the mentioned
15. What is Wired Equivalent Privacy (WEP) ?
- a) security algorithm for ethernet
  - b) security algorithm for wireless networks
  - c) security algorithm for usb communication
  - d) none of the mentioned
16. What is WPA?
- a) wi-fi protected access
  - b) wired protected access
  - c) wired process access
  - d) wi-fi process access
17. When information is read or copied by someone not authorized to do so, the result is known as \_\_\_\_
- a) loss of confidentiality    b) loss of integrity
  - c) loss of availability        d) All of the above
18. When information is modified in unexpected ways, the result is known as \_
- a) loss of confidentiality    b) loss of integrity
  - c) loss of availability        d) All of the above
19. When information can be erased or become inaccessible, the result is known as \_\_\_\_\_
- a) loss of confidentiality    b) loss of integrity
  - c) loss of availability        d) None of the above
20. When users cannot access the network or specific services provided on the network, they experience a \_\_\_\_
- a) Availability                b) Denial of service
  - c) diagnostic problem        d) All of the above
21. is proving that a user is the person he or she claims to be.
- a) Authentication              b) Authorization
  - c) non-repudiation            d) None of the above

22. is the act of determining whether a particular user (or computer system) has the right to carry out a certain activity, such as reading a file or running a program.
- a) Authentication
  - b) Authorization
  - c) non-repudiation
  - d) All of the above
23. When the means of authentication cannot later be refuted—the user cannot later deny that he or she performed the activity is known\_.
- a) Authentication
  - b) Authorization
  - c) non-repudiation
  - d) None of the above
24. A\_\_\_\_\_ attack attempts to learn or make use of information from the system but does not affect system resources.
- a) active
  - b) passive
  - c) None of the above
  - d) All of the above
25. A\_\_\_\_\_ attack attempts modification of the data stream or the creation of a false stream.
- a) active
  - b) passive
  - c) None of the above
  - d) All of the above
26. is the application of computer investigation and analysis techniques in the interests of determining potential legal evidence.
- a) E-commerce
  - b) None of the above
  - c) Computer Forensics
  - d) All of the above
27. What is the correct approach for addressing security and organization objectives?
- a. Security and organization objectives should be developed separately.
  - b. Security should drive organization objectives.
  - c. Security should support organization objectives.
  - d. The site security officer should approve or reject organization objectives.
28. A qualitative risk assessment is used to identify:
- a. Vulnerabilities, threats, and countermeasures
  - b. Vulnerabilities, threats, threat probabilities, and countermeasures
  - c. Assets, risks, and mitigation plans
  - d. Vulnerabilities and countermeasures
29. The impact of a specific threat is defined as:
- a. The cost of recovering the asset
  - b. The cost required to protect the related asset
  - c. The effect of the threat if it is realized
  - d. The loss of revenue if it is realized

e.

30. The statement, "Information systems should be configured to require strong passwords," is an example of a/an:
- Security requirement
  - Security policy
  - Security objective
  - Security control
31. An organization employs hundreds of office workers that use computers to perform their tasks. What is the best plan for informing employees about security issues?
- Include security policy in the employee handbook
  - Perform security awareness training at the time of hire and annually thereafter
  - Perform security awareness training at the time of hire
  - Require employees to sign the corporate security policy
32. An information system that processes sensitive information is configured to require a valid user ID and strong password from any user. This process of accepting and validating this information is known as:
- Authentication
  - Strong authentication
  - Two-factor authentication
  - Single sign-on
33. Palm scan, fingerprint scan, and iris scan are forms of:
- Strong authentication
  - Two-factor authentication
  - Biometric authentication
  - Single sign-on
34. The method of hiding the secret is:
- |                  |                   |
|------------------|-------------------|
| (a) Cryptography | (b) Steganography |
| (c) Stenography  | (d) Cryptanalysis |
35. In cryptography, what is a cipher?
- algorithm for performing encryption and decryption
  - encrypted message
  - both (a) and (b)
  - none of the mentioned
  -
36. In asymmetric key cryptography, the private key is kept by

37. In cryptography, the order of the letters in a message is rearranged by
  - a) transpositional ciphers
  - b) substitution ciphers
  - c) both (a) and (b)
  - d) none of the mentioned
38. The\_\_\_\_\_is the original message before transformation.
  - A) ciphertext
  - B) plaintext
  - C) secret-text
  - D) none of the above
39. The\_\_\_\_\_is the message after transformation.
  - A) ciphertext
  - B) plaintext
  - C) secret-text
  - D) none of the above
40. An\_\_\_\_\_algorithm transforms ciphertext to plaintext.
  - A) encryption
  - B) decryption
  - C) either (a) or (b)
  - D) neither (a) nor (b)
41. The\_\_\_\_\_is a number or a set of numbers on which the cipher operates.
  - A) cipher
  - B) secret
  - C)key
  - D) none of the above
42. In an\_\_\_\_\_cipher, the same key is used by both the sender and receiver.
  - A) symmetric-key
  - B) asymmetric-key
  - C) either (a) or (b)
  - D) neither (a) nor (b)
43. In an asymmetric-key cipher, the sender uses the\_\_\_\_key.
  - A) private
  - B) public
  - C) either (a) or (b)
  - D) neither (a) nor (b)
44. In an asymmetric-key cipher, the receiver uses thekey.
  - A) private
  - B) public
  - C) either (a) or (b)
  - D) neither (a) nor (b)
45. A\_\_\_\_\_cipher replaces one character with another character.
  - A) substitution
  - B) transposition
  - C) either (a) or (b)
  - D) neither (a) nor (b)

46. One commonly used public-key cryptography method is the\_\_\_\_algorithm.  
A) RSS B) RAS  
C) RSA D) RAA
47. The Caesar cipher is a\_\_\_\_cipher that has a key of 3.  
A) transposition B) additive  
C) shift D) none of the above
48. The\_\_\_\_\_cipher is the simplest monoalphabetic cipher. It uses modulararithmetic with a modulus of 26.  
A) transposition B) additive  
C) shift D) none of the above
49. \_\_\_\_\_ciphers can be categorized into two broad categories: monoalphabetic andpolyalphabetic.  
A) Substitution B) Transposition  
C) either (a) or (b) D) neither (a) nor (b)

- Provide resources for further reading or support
- Encourage students to prioritize their health

### **Assessment And Evaluation:**

Evaluation Pattern: assessment through a Sociological Quiz!

### **Course Outcomes**

For all these, students at the programme were encouraged to incorporate healthy habits and also take various preventive measures so that in the upcoming times they can stay safe and sound. In addition, staff present there are also spurred to boost up their daily nutrition intake. They are also given information on how to integrate and maintain hygiene in their lifestyle. This programme is focused towards addressing issues of personal health care, vaccination, hygiene, and illness prevention. The key challenges in the health care domain are poor accountability, low-quality care, lack of health awareness and limited access to health facilities

## P.G. COLLEGE

### **SUMMARY REPORT OF** **PRIMARY HEALTH AWARENESS PROGRAM.**

Name of Program: Primary Health Awareness Program.

Resource Person: Dr Manasvi Johari Junior Medical Practitioner  
(S N Pareek Hospital, Kota)

Participants: Students of College.

No. of Participants: 54

Venue: New Hall, MBPG College

The 30-Hour Skill Development Program “Primary Health Awareness Program” was inaugurated on 22 June 2023 at 7:30 AM by our IQAC coordinator Mrs. Vinita Sharma. As per the course plan the session was started and organized smoothly in all the days. On 06 July-2023 Add on Course was completed successfully and certificates were issued to the participants.

During the 30 hours Add on course, students participated and experience that the course was informative and gained knowledge. Dr Manasvi Johari insisted that regular physical activity such as walking, running, or playing sports can improve your mood, distract you from worries, and relieve tension and stress. Exercise can also improve your general health. One can benefit most from regularly exercising for 30 minutes or more, but it’s okay to build up to it gradually. The awareness programme was to educate the mass about the ways to combat the mental stress along with the physical weaknesses and move ahead

in life with a much enthusiastic spirit and energy. Dr Manasvi Johari was the resource persons of the course. The course is of 30 hours. The add on course was open to all streams and 54 students joined for the course and 54 got the certificate after completing the course.
