

ATR AND FEEDBACK REPORT (2019-20,2020-21,2021-22,2022-23)

Summary of the student's feedback

Session (2019-2020)

The student's response on teaching learning and evaluation process was collected and analyzed. On the question of how much of the syllabi were covered in the class, the majority of students (69%) were of the opinion that 85-100% of the syllabus was covered in the class. However only 83% of the students reported that the teacher's prepared thoroughly for the classes. 57 % of them had an opinion that the teacher's preparation was satisfactory. On this account, there is need for self-assessment by the teachers. Majority (93%) of the students think that teacher's communication with the students is always effective. Most of the students also think that the internal evaluation process is always fair.

86% students also acknowledge that teacher's observe the students at personal level, identify the strengths and weakness of the students. This is positive contribution of the teacher's towards nurturing the student's capabilities.

Overall, most of the students are satisfied with the quality of teaching- learning process in the college.

Action Taken Report

As we are aware that we have one of the best infrastructure of college and we keep modifying and updating all the facilities mentioned here from time to time so that students enjoy academics along with co curriculum activities for their all round development.

We are working on the following areas which is linked with directly students facilities.

1. Smart Classroom
2. Digital Library
3. Hygienic Cafeteria
4. Recreation Rooms

5. Sports facilities
6. Teaching and Learning innovations

ACTION TAKEN REPORT

Institute is very pleased for getting such a nice feedback from the students. Some students demand additional activities for skill development. Institute planned and organized skill refined through the conduct of workshops, competitions, seminars and co-curricular and extra-curricular activities. However the institute will work hard to maintain this achievement and further this achievement and further betterment in future.

Feedback Analysis And Report 2022-2023

Feedback on the various aspects was taken from the UG, PG, and Educational students through Google forms. The data was analyzed to provide valuable insight into the student's perception about the course. The parameters were:-

- 1) The offline class materials were useful and accurate.

ACTION TAKEN REPORT

Most of the students are satisfied with facilities in college like office assistance, managements, campus, classroom , library, drinking water, canteen etc. Some respondents marked not highly satisfied about the mentioned amenities. So we will try to improve the quality of all these amenities.

Objective of feedback

College seeks feedback from the students in order to assess the problem encountered by the students during their entire period of education in the institution. It provide an opportunity to the students to present a candid view on teaching and learning, general administration etc. And give their opinion on aspects which they feel need attention. It also helps college administration to review its policies and improve upon its academics and other facilities at regular intervals.

Process Adopted for Feedback

The process of collecting feedback is voluntary. All students are however; encourage giving the feedback in academic session. Feedback is collected by filling a printed form (provided by college). All the information received is used for analysis.
